The Kaplan Cooperative Preschool is committed to creating a nurturing and inclusive community for preschoolers and their families. Each child is empowered to develop at his or her own pace in an integrated Jewish and secular curriculum. Each family member is welcomed into the school community through our parent cooperative program. Each teacher is supported in his or her professional development. The Kaplan Cooperative Preschool is part of the United Synagogue of Hoboken's mission to welcome young families into the Jewish community.

If you have any questions please contact Rachelle Grossman, Director, 201-653-8666, or ushpreschool@gmail.com.
